**Anca OLTEAN**

**Abstract:** *The element of novelty brought by this paper is to valorify a number of 8 questionnaires with Jews that either were deported or their family members were deported, from Oradea. Together with an introduction in the topic of the history of Jews from Romania and Hungary from the years 1945-1953 and an analysis of the existent bibliography in this field of research, these are the contributions brought by this paper. The questionnaires, the original part of this paper, reveal the uncertainty, scarcity of material resources, the illnesses and the political pressure that the Jewish community from Oradea had to bear after their return from Holocaust.*
